One Who was There: In the year 64 A.D. a woman sets out from Jerusalem on a journey toward Galilee. On the outskirts of the city, passing a place called Gethsemane, she is overcome by a searing memory: the events of a day years earlier when a man named Jesus was arrested there, tried and executed. The woman is a survivor, one of the few left who had been his followers. Tormented by the memory of his crucifixion, weary from long years of waiting for his return, she begins a search to find her life again. During many days of travel from barren Judea to the fertile valley of the Jordan, the woman is transformed by her journey and the people she meets. She encounters a group of second-generation Christians whose joyful celebration of the Lord's presence begins to shake her out of her own despair. Others she meets, travelers who question or deny the faith, bring her face to face with events of her own life—seen in flashbacks—as a young woman who had been healed by him, who had loved and witnessed for him. Memories and encounters awaken the possibility of a new beginning for her life. Near Magdala, on the shores of the Sea of Galilee, past and present come together in a powerful experience of reliving the long-ago moment of his resurrection. One who was there, the first to see the risen Lord, Mary Magdalene, too, has come back to life. Her journey begins again - back down the road she has traveled, to those who need her. Running time: 37 minutes. Ecuofilm. VHS & DVD

The Last Supper – DVD

Filmed and dramatized entirely on authentic locations of the Holy Land and the Middle East, this is the most elaborate and extensive film available on the Last Supper. Jesus met with his twelve disciples in the "upper room" in Jerusalem, where they shared that historic meal. It was the traditional Jewish Passover "Seder" meal, which to this day symbolizes the deliverance from slavery to freedom and is commemorated for the last supper the ancient Hebrews shared before leaving Egypt, on their long journey to the Promised Land. 60 minutes. Ecuofilm

Dateline Jerusalem – DVD

Empire transformed them into revolutionaries and, in the process, changed the world itself in ways that would reverberate across time for two thousand years. Here is the Easter story, as you have never experienced it. With anchor Martyn Lewis and special on-the-scene correspondents, these news bulletins and reports cover the story of Holy Week in an enlightening presentation that provides

greater understanding of the circumstances leading up to and surrounding Christ's crucifixion. Programs 1-4 begin with the entry of Jesus into Jerusalem on Palm Sunday and examine the events and intrigues that follow: the dramatic challenge of the moneychangers, the trick questions of paying taxes to Caesar, and the "evidence" of blasphemy and treason when Jesus claims to be the Messiah. Programs 5-8 cover Jesus' arrest, crucifixion, and resurrection. The politics and intrigue of first-century Palestine provide the backdrop for the betrayal and execution of a man who has changed the course of history. 120 minutes Ecuofilm
