<p><b>CH10643</b></p>	<p><b>Moving Toward Full Inclusion: Sexual Orientation in The United Church of Canada</b></p> <p>From its founding in 1925 to today, The United Church of Canada has evolved in its understanding of sexuality and marriage. Article 20 of the church's Basis of Union affirmed the inviolability of marriage and the sanctity of the family. In 2003, the United Church called on the federal government to recognize same-sex marriage.</p> <p>Through story, scripture, and reflection questions, this book presents how the United Church has journeyed toward full inclusion of sexual minorities.
